Kindly say, the blue team field manual btfm rtfm english edition is universally compatible with any devices to read

Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The Blue Team Field Manual (BTFM) and Red Team field Manual (RTFM) are awesome books if you are interested in IT security and I would recommend buying both. Someone (John Hammond) has created an online edition of the Blue Team Field Manual and there is enough scripts, commands and resources there to keep most people busy for a while.
