Modern Stoicism is an intellectual and popular movement that began at the end of the 20th century aimed at reviving the practice of Stoicism. It is not to be confused with Neostoicism, an analogous phenomenon in the 17th century. The term "Modern Stoicism" covers both the revival of interest in the Stoic philosophy and the philosophical efforts to adjust Ancient Stoicism to the language and ...

1. Some things are in our control and others not. Things in our control are opinion, pursuit, desire, aversion, and, in a word, whatever are our own actions. Things not in our control are body, property, reputation, command, and, in one word, whatever are not our own actions. The things in our control are by nature free, unrestrained, unhindered; but those not in our control are weak, slavish ...
