### Tilting At Windmills How I

The phrase "tilting at windmills" to describe an act of attacking imaginary enemies (or an act of extreme idealism), derives from an iconic scene in the book. It stands in a unique position between medieval chivalric romance and the modern novel. The former consist of disconnected stories featuring the same characters and settings with little exploration of the inner life of even the main character.

### Don Quixote - Wikipedia

Tilting at windmills is an idiom that has its origins in Spanish literature, over four hundred years ago. An idiom is a word, group of words or phrase that has a figurative meaning that is not easily deduced from its literal meaning.

### Tilting at windmills Idiom Definition - Grammarist

Of course with their petition and their campaign, they are all tilting at windmills. His critics considered him a tiresome idealist who spent an idle life tilting at windmills. Note: This expression refers to the novel 'Don Quixote' (1605) by the Spanish writer Cervantes, in which Don Quixote sees some windmills, thinks that they are giants, and tries to attack them.

### Tilting at Windmills - Idioms by The Free Dictionary

Tilting is jousting. The expression 'tilting at windmills' derives from Cervantes' Don Quixote - first published in 1604, under the title The Ingenious Knight of La Mancha. The novel recounts the exploits of would-be knight 'Don Quixote' and his loyal servant Sancho Panza who propose to fight injustice through chivalry.

### 'Tilting at windmills' - meaning and origin.

Aesthetically pleasing though they are, their roots are practical: Windmills harnessed wind to grind grain, make cloth, or saw wood. At a time when wind power is again capturing our imagination, it's quite a back- to-the-future idea.
