Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Airstream Interstate Owners Manual 2009

About This Airstream Interstate This is a well-cared for 2006 Airstream Interstate rear sleeper that was garaged most of its life. It features a Mercedes 2.7 liter turbo charged 5 cylinder diesel engine on a Sprinter 2500 chassis. It has just over 32 thousand miles and purrs like a kitten. This Airstream Interstate has been driven only about 4,000 miles annually. This space-saving floor plan ...

Used Sleeper Vans For Sale - TheRealEstate24.com

The manual control button on these allow for independent control of the "flame" effect, heat output and timer control. It sounds like perhaps your fireplace has the thermostat set for a higher temperature than you need. You can try disconnecting the fireplace from the power outlet for a few minutes to allow its electronic control to reset. Once this is done you can use the manual controls on ...
