Principles of Peer Support Groups. Mutual aid, or peer support, groups typically have a set of stated principles. The primary principle is that recovery should be the main focus for an individual. 3 Another central principle is that person who is in recovery also has a commitment to help others in their recovery. 3 Further, a key tenet of peer groups is that you meet people where they are in ...

One key difference, on the other hand, is that SMART Recovery does not base its program on a 12-step model, spiritual principles, or a higher power. It instead focuses on evidence-based treatments which incorporate a wide range of interventions, such as CBT. 2 In addition, it does not give participants labels, such as "addict" or "alcoholic" and incorporates online meetings, which are ...
