RINGS IS..." ring before the system answers a call. • Set for 2 to 7 rings,or choose Toll Saver 2/4 or Toll Saver 4/6. • When set to Toll Saver 2/4,the system answers after four rings when you have no new messages and after two rings when you do. Toll Saver 4/6 causes the system to answer after six rings when you have no new messages and after

1738 Digital Answering System

I had an older AT&T 1720 answering system for many years that failed and I bought this used unit, hoping that it would at least be in working order. When I opened it up I noticed battery corrosion, and notified the seller and he refunded the cost and did not even want it returned. So I give the seller credit for honesty.
