Re: Cessna 185 Cowl Skin Repairs A few years ago I was told by a gentleman who does high quality rebuilds of 180/185 and L19 that he sends cowlings to Skywagon City rather than doing them himself. He said that Skywagon City could form the skins on an english wheel and had a jig for assembly.

Cessna 185 Cowl Skin Repairs - Backcountry Pilot

The 185 came along in 1961, a follow-on product to the Cessna 180, which enjoyed considerable sales success. And for a taildragger in a world of trikes, the 185 held its own until 1985, the last year of production. Outwardly, the 180 and 185 are similar, with comparable overall dimensions and major parts.

Cessna 185 - Aviation Consumer

The International 180/185 Club, Inc. was founded in 1977 exclusively for owners of Cessna 180/185 Skywagons as a social club. Today, we have expanded our membership to include aviation enthusiasts who have a passion for these taildragger airplanes. We want “to promote and share the enjoyment and adventure of flying Cessna 180/185 aircraft.”
