Colleges and universities often ask you for converted scores within the TOEFL exams in order to suit the system they follow. Most colleges have not been keen on updating their system even after CBT and iBT came into the picture and this demands that the test-takers learn the process of conversion than remain clueless while sending information regarding the scores.

The TOEFL exam tests four skills you will need to demonstrate competence in before enrolling at an English-speaking university: reading, listening, speaking, and writing. Students can take courses that focus specifically on each of these skills. Practicing your English skills in all four of these areas is very important when preparing for the TOEFL. In addition, students should also become ...
