**Answers v. 8H by  
David Rayner**

Really well set out book for a person who wants to follow the current Maths curriculum for year 8. However, PLEASE do attach an answer sheet to the book! An answer booklet that can be removed by the parents would make this much more accessible.

Learning Standards (CCLS) are internationally-benchmarked and evidence-based standards. These standards serve as a consistent set of expectations for what students should learn and be able to do, so that we can ensure that every student across New York State is on track for college and career readiness. The New York State Education Department
