Checklists within checklists. And for those who want to be beyond organized, there's a handy checklist within each task card.. 2. It will help you collaborate... sort of. While it's clear so far that Microsoft Planner is a pretty functional organizer, collaboration is the real test. Planner supports internal teamwork well, but at the moment it isn't set up well for customer sharing.

According to The Knot Real Weddings Study, the average engagement lasts 15 months, which means there's no need to rush. (Unless, of course, you simply can't wait to say "I do." In that case, plan away!) Take your time gathering wedding inspiration during this stage of the planning process. Don't forget to check out magazines, social media and real wedding photos—and don't limit yourself to ...
