My 8th graders absolutely loved playing today, and at least one went straight home and finished the whole mission. My last period class was so completely absorbed in the mission that I think I could have left and they wouldn't have noticed for a good half hour.... It shows many different perspectives regarding the tensions and eventual conflict, and kids don't even realize how much they ...

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
