Jo strives to create design work that is impactful, not about hype—understanding the impact that design can have on non-for-profit organisations. She came to this realisation whilst working on a rebrand for The Sydney Cats & Dogs Home, which cleverly captures all animals past, present and future that go through the shelter in the logo and branding. That's 3000 animals a year—to put it in ...

35 Famous Graphic Designers You Need To Know

Another growing trend in the yard world is 'macraweave' which combines the crafts of macrame knotting with weaving to create eye-catching projects that really pop with texture and colour. Embroidery is also getting even more creative, with layered fabrics to create intricate scenes and the use of thread painting and various stitch techniques to create texture and depth.
