## **Litigating Religions Essay Human Rights**

This essay examines doctrinal developments in these areas, where standoffs between organized religions and human rights advocates in the courts have been common. The essay argues that, if we wish to establish a better dialogue between the contending views, we must first identify a set of recurring problems identifiable in such litigation.

An Essay on Human Rights, Courts, and Beliefs. Christopher McCrudden. Description. Religions are a problem for human rights, and human rights are a problem for religions. And both are problems for courts. This book presents an interpretation of how religion and human rights interrelate in the legal context, and how this relationship might be reconceived to make this relationship somewhat less fraught.
