Mind Shift

are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

MindShift CBT - Anxiety Canada - Apps on Google Play

MindShift is a free app designed to help teens and young adults cope with anxiety. It can help you change how you think about anxiety. Rather than trying to avoid anxiety, you can make an important shift and face it.
