Overcoming Resistant Personality Disorders: A Personalized ...

Overcoming Resistant Personality Disorders is a provocative and well-reasoned, yet frustrating volume. In it, the authors challenge various authorities on the subject; for example, they criticize the DSM for its failure to "officially endorse an underlying set of principles that would interrelate and differentiate the categories in terms of their deeper principles" and for its current Axis II categories.

Convincing a person with Narcissistic Personality Disorder to see a therapist, participate in therapy, and remain in the process until real change occurs, is extremely difficult. If someone with NPD seeks mental health help, it is generally to address depression or suicidal tendencies.

3 Ways to Deal With Narcissistic Personality Disorder ...

If you've been treated for depression but your symptoms haven't improved, you may have treatment-resistant depression. Taking an antidepressant or going to psychological counseling (psychotherapy) eases depression symptoms for most people. But with treatment-resistant depression, standard treatments aren't enough.
