Help with math take home test please? | Yahoo Answers
Take home open-book exams you do at home. Question(s) are handed out, answers are attempted without help from others, and the exam is returned within a specified period of time (often the next day). What kinds of material can be used? The materials you can take into an open-book exam can vary.

Open-Book and Take-Home Exams | UNSW Current Students
The test is timed, and the average test taker completes the test in about thirteen minutes. Completing the test in less than thirteen minutes will raise your score. Taking longer will lower your score. Correct answers are more important than the time. So, be ready to concentrate and think fast! take the test

Take the Test - IQ Test
Alternately, don't use take home tests where cooperation can alter the results. It seems that the only reason to give a take home test when cooperation would be a problem is if the time to complete the test is longer than a single class period. However, there are few times when this should be the case.
