The Everything Kid's Environment Book written by Sheri Amsel is a great resource for children to have when learning about the environment. Readers will find out what they can do every day to help protect our planet.

The Everything Kids' Environment Book: Learn how you can ...

Throughout Everything Connects, you can explore an ecologically rooted, universally important base of knowledge on all the major environmental issues and how they connect to the state of our health, stability of our economy, capacity of our societies, perseverance of wildlife, balance of nature and prosperity of our children while discovering ways to live healthier, save money, build community and make a difference.

About - Everything Connects

That secret is to connect your reader to your protagonist. Ever heard yourself (or others) say the following about a great novel? "I couldn't stop thinking about the characters, even when I wasn't reading the book." "I had to find out if she ever reconciled with her father." "I kept forgetting she wasn't real.

How to Make Readers Deeply Connect to Your Characters ...

"Humankind has not woven the web of life. We are but one thread within it. Whatever we do to the web, we do to ourselves. All things are bound together. All things connect." – Chief Seattle "Learn ...
