Is the US 'losing' Latin America? | Bolivia | Al Jazeera

Some links within the article seemed unnecessary, like “United States of America” and “Latin America,” (Introduction, para. 1), but this did not take away from the argument being made. Although some links were unnecessary for understanding the argument, the article did tend to leave out perspectives that would have in turn enhanced the argument and provided better explanations for ...

Latin America - United States Relations Analysis | Latin ...

Walter LaFeber's Inevitable Revolutions looks at the US/Latin-American relationship from a slightly different perspective. It complements Schoultz's book well because it focuses, very specifically, on the countries of Central America. It covers a shorter timeframe, picking up when the United States first intervened militarily in Central America at the turn of the 20th century.
